

WELCOME TO THE FISCHER SPINDLE HOTEL

YOUR SPINDLE'S HAVEN FOR PEACE OF MIND AND SEAMLESS UPTIME.

Situated just off the shores of Lake Michigan the FISCHER Spindle Hotel provides you a secure, temperature-controlled environment where your spare spindles can reside in comfort and receive Best in Class care.

Your spindle will be recorded in our SAP system, and you will be given a hotel reservation number. During the duration of the spindle's stay it will be recertified by way of a complete test run, keeping your warranty active.

As a manufacturing company we fully understand the nature of critical machines, how costly downtime is to the entire company, and the disruption it causes for production timelines. Utilizing FISCHER's spindle hotel ensures your spindle is fresh and ready to go. When you are in need of your spindle, rest assured we are just a phone call away from it shipping.

How our spindle hotel works:

Check-in

FISCHER receives the spindle at our facility, your spindle is registered by customer name, spindle type, serial number and is assigned a hotel confirmation number in our SAP system.

Duration of Stay

Spindles residing at the hotel for a period of 13-25 months will be inspected and receive a complete test run to re-certify and keep your warranty active while not in use on your machine.

- Re-certification every 25 months for oil-air lubricated spindles.
- Re-certification every 13 months for grease lubricated spindles.
- Stay as long as you like! Your spindle can remain "checked-in" as long as you choose.

Check-out

To release a spindle from the hotel. Simply contact the team at FISCHER referencing the serial number or confirmation number, shipping address information, method of shipping and freight account number. Your spindle will be shipped the same day for shipping requests received before 2:00 p.m. CST.

Best of all this service is all provided at no charge to you!
